After consultation with our stakeholders, the following strategies were identified as needs for Sallisaw Public Schools to continue to effectively serve our students safely in the future.

STRATEGIES FOR PREVENTION AND MITIGATION OF COVID

Purchase Educational Technology	This may include hardware, software, personal devices (Chromebooks), and connectivity to aid in regular substantive educational interaction between students and their classroom instructors (which may consist of assistive or adaptive equipment or active academic monitoring software or equipment to promote teacher professional development to aid in the reduction of learning loss caused by the covid 19 virus.
Utilities and Insurance	Pay the difference (net increase) in District Utilities and Insurance caused by the rise in energy cost and replacement costs due to COVID.
